

FABULOZ Shade Match Guide

Hey There FABULOZ Friends! We know it can be difficult to choose the right combination of extension colors to make your guests hair dreams come true. So we created this professional color comparison chart as a helpful guide for our stylists. We have color matched FABULOZ Hair Extensions to Paul Mitchell Color XG and The Demi. Use this comparison chart as a tool to help you choose the best combination of colors for your guests.

*This is not a recommendation to color your FABULOZ Hair Extensions. Any chemical alteration voids the warranty.
